Dear XXX,

<Your Jurisdiction> is pleased to express our support for the North Central Texas Council of Governments (NCTCOG) and their application for the Regional Catastrophic Preparedness Grant Program (RCPGP). Impacts from regional catastrophic incidents have a profound effect on the entire North Texas region, as demonstrated through the COVID-19 pandemic, Hurricanes Harvey and Laura, multiple severe weather events, and Winter Storm Uri.

This project will increase community resilience throughout the region in three phases, with Phase I enhancing response and evacuation plans with a focus on community resilience, the projected impact of climate change, and the needs of vulnerable populations. Phase II will increase awareness of locally significant threats and hazards across the community, including providing knowledge and tools for mitigation, response, and recovery through training, workshops, and exercises. Phase III will include a two-day community resilience workshop for community leaders, emergency managers, and other key stakeholders to showcase deliverables, best practices, and areas for improvement.

In an effort to work collaboratively, <your jurisdiction> will work with NCTCOG, community leaders, and other regional partners in evaluating the community needs and offering support, data, and input, as needed, throughout the planning process.

Thank you for your consideration in assisting NCTCOG with this valued project.

Sincerely,
